GRAIN AND FROVISIONS.

Chicago, Dec. 28.—The comparatively smailness of clearances for the week and a report that the winter wheat crop is in good condition caused a weak recing in the wheat market here today. At the close wheat for May delivery was off ½ 12 to 5%. Corn was unchanged. Oats were a shade higher. Provisions were 5 to 7½ to 15 cents higher.

Much Wool on Hand.

Boston, Dec. 28.—The annual canvass of the wool trade of the United States by the Boston Commercial Builetin, to discover the amount of wool remaining unsold at the close of the year, shows a stock this year of 24.402.046 pounds of domestic and 15,169,000 pounds of foreign wool. This is to be compared with a stock of 72.461.443 pounds of domestic and 24,414,000 pounds of foreign one year ago, and hence shows an increase for this year of 21.940.603 pounds of domestic and a decrease in the stock of foreign wool of 9.—245,600 pounds.

New York, Dec. 28.—Bradstreet's tomorrow will says:

With an unparalleled volume of business for 1906, increased by a record holiday trade and a heavy volume of future orders booked, the commercial and industrial interests of the country look forward with confidence to the developments of 1907. Car shortages still prevail, though the situation is somewhat better in such sections as the northwest and parts of the south. Copper is higher Cash quotations were as follows:
